DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3, 7-16, 19-22, 37-42, 45-49 and 57-88 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant's arguments, see p. 12, line 23 through p. 13, line 7, filed 12 November 2004, with respect to claims 1-3, 7-11, 14, 16, 19-22, 37-39, 42, 45-49, 57 and 58 have been fully considered and are persuasive. The rejection under 35 U.S.C. §102(b) of those claims has been withdrawn.

The subject matter of the independent claims could either not be found or was not suggested in the prior art of record. The subject matter not found was the two flexible legs that are mutually joined at respective distal ends where the legs are arranged to disengage from the body part when they are moved toward one another in combination with the other elements (or steps) in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark K Han whose telephone number is 571-272-4958. The examiner can normally be reached on Monday to Friday, 9 am to 5:30 pm.
